I. Approval of the May 22, 1998 Minutes

Representative Marda Dillree made a motion to approve the May 22, 1998 Minutes. The motion was seconded by Lou Mueller. The motion carried.

II. Update on the School Trust Land Exchange Agreement- Dave Hebertson, School and Institutional Trust Lands Administration

Dave provided the Council with copies of the School Trust Land Exchange Agreement, land ownership maps before and after the land exchange, and a transaction summary of the agreement. The agreement was signed

by Governor Mike Leavitt and Secretary of the Interior Bruce Babbitt on May 8, 1998. It includes a \$50 million cash payment for the school children of Utah, plus additional land, coal and other mineral resources. The agreement also ensures protection for critical land in national parks, forests, Indian reservations

and the Grand Staircase-Escalante National Monument. In exchange for the cash, land, and resources, the Federal Government will receive all state inholdings in the Monument, as well as all state inholdings in Utah's National Parks, National Forests, and Navajo and Goshute Indian Reservations.

This agreement will implement the largest public land exchange identified anywhere in the continental United States. For more information on the land exchange agreement, contact John Harja, in GOPB, at 538-1559, or Dave Hebertson, at School Trust Lands Administration, at 538-5102.

The Council was provided with a handout on Proposed 1998 Interim Study Items. Open discussion ensued on the topics of Highway Transfer, Jail Contracting, State and Local Roles in Federal Planning, Crime Prevention and Building Inspection of Schools. Suggestions for future presenters at council meetings included: a representative from UDOT, the League of Cities and Towns, and Utah Association of Counties to discuss the topic of Highway Jurisdiction and Funding; and a representative from the Department of Corrections to discuss Jail Contracting and Jail Reimbursement.
